CIPFA/LASAAC Survey – Open Feedback

- The survey included a request for open feedback
- The following charts seeks to indicate the key areas raised in comments
- Please note:
  - Interpretation of responses was necessary for this analysis
  - Frequency of an item does not necessarily indicate that all views on that item were the same. It simply indicates how often the item was raised.
  - A chart for each group is provided, in order to allow a clearer understanding of key issues for each group
  - Some respondents are included in more than one group
