January 2012

Meat

Posh ham, cheese and pickle baguette

A slightly 'posher' version of a classic. Wiltshire cured ham, mature cheddar, pickle, roasted tomatoes, mayo and cress in a crunchy baguette

Chicken, bacon and Swiss cheese club

A high quality meat feast; Roast chicken, crispy bacon, Emmental (the wholly cheese from Switzerland) and finally a touch of salad for crunch in malted multigrain bread

Fish

Sweet chili crayfish and mango bloomer

Crayfish with our own sweet chilli mayo made from fresh red chillies, yoghurt and fresh ginger. We add mango and coriander and stuff inside bloomer bread for a taste that is really fresh!

Red salmon, avocado and herb salad wrap

Flaked red salmon, avocado, crisp cucumber, fresh tomato, basil and baby spinach with a herb yoghurt dressing wrapped in a flour tortilla

Vegetarian

Cracking egg salad (v)

A simple sandwich with an Italian twist - Chunky egg mayo with slices of tomato, seasoning and a scrunched up handful of fresh wild rocket on rustic white bread

Red Pepper tapenade & soft cheese (v)

Red pepper tapenade (made with roasted red peppers, olive oil and tomatoes then blended), creamy soft cheese, freshly sliced tomatoes, red peppers, toasted flaked almonds and wild rocket. A bright, beautiful veggie delight for the season on malted wholegrain bread
