Professional Qualification / Professional Accountancy Qualification courses – UK Classes August - December 2022

* Tutorials:

To offer greater support, we will be supplementing our web class tuition with online tutorials for all modules.

Each tutorial group will have a small number of students to enable more interaction. These tutorial sessions will give you more access to tutor support to enhance your learning and preparedness for the examinations, and also to enable you to interact with your fellow students in a small group. Students are expected to have their cameras and microphones on and to participate fully in the tutorial. You will be allocated to a tutorial group and given a one-hour time slot for your tutorial day. You are expected to attend for your allocated one-hour tutorial slot only.

We will be allocating students to tutorial groups and sessions when we have final numbers. Joining instructions for tutorial groups will follow within two weeks of the course start date. You join your tutorial at the allocated time in the same way as you join your web class.

** Face-to-Face Classes:

Face-to-Face Main Tuition & Revision will be offered for all modules in London.

Face-to-Face Main Tuition & Revision will be offered for SCS module in Manchester.

*** Stand-alone Revision - Web Class:

These web classes will be suitable for students who are resitting the examinations. Students must attempt and submit their mock exams before attending the revision classes.
