

CIPFA Treasury Management Network (TMN)

your Treasury Management Network membership

2020/21

What does the TMN offer?

The CIPFA Treasury Management Network has been established for over ten years. Our experience and commitment to providing a high quality, professional service with the latest support, guidance and insightful events, help navigate public sector bodies through the challenges faced in a fast moving and ever-changing environment.

The TMN offers a wide range of tailored face-to-face events at regional venues all over the UK. Our expert support and guidance is focused on all aspects of treasury management.

The TMN is committed to providing public bodies with the tools to be at the forefront of best practice and innovation in the sector. Our aim this year is to focus on key topics facing the sector. Ranging from climate change to commerciality, we provide members up-to-date information on the latest trends, opportunities and technology.

As part of your membership you will have access to the latest detailed guidance and regular updates on current events and topics to keep you at the forefront of new developments. With over 650 members signed up to our e-alerts service, keeping on-top of the latest updates to legislation will be made easy.

The TMN newsletter provides the latest updates and current interests in Treasury Management, details of relevant events and conferences and keeping you alert to the key CIPFA and Government consultations.

On-top of all this, the network will provide access to webinars, the TMN podcast and informative discussions with professionals in the industry to provide the latest commentary, innovation and share best practice with members.

For those with specific questions, our advisors are on hand to help. If you would like further information about the benefits of subscribing to the TMN, please contact any member of our highly skilled and dedicated advisory team, listed below.

How to join the TMN

If you are interested in joining TMN or have any questions, then please email us cipfanetworks@cipfa.org or call CIPFA on 020 7543 5600 and we can provide you with a quote based on your required level of membership.

- An online subscriber forum dedicated to discuss challenges and issues

"I thought it was a really good informative day and found most of the speakers really interesting and knowledgeable and would happily attend any event that they put on in future."

Ruth Wilson, West Norfolk

"The event was well organised and covered the areas that I was interested in. What I found useful is that the principles of due diligence were easy to understand and can be applied in any investment opportunity."

Deborah Redhead, GLA

Programme of events

Our exciting headline events below are complemented by webinars, podcasts, alerts and briefings, monthly newsletters and dedicated advisor support for practitioners in subscribing organisations.

New events may be added during the year and details of these will be confirmed as part of the event promotion materials, TMN newsletters and alerts.

January 2020 - Introduction to Treasury Management

This series is delivered by a lineup of expert practitioners, this event is of interest to staff at all levels particularly those that are new to treasury or those seeking a refresher course focused upon best practice.

February 2020 – Technical Accounting Workshops

This series is dedicated to the latest developments in accounting for treasury management and capital accounting picking up changes to the Code of Practice and technical matter such as MRP Policy.

March 2020 – Treasury Management Network Conference

This conference is dedicated to real time issues facing treasury managers, the economy, risk management based solutions to borrowing and enhanced investment returns, and managing elected members' appetite for risk.

June 2020 – Regional Risk Management Workshops

This series is dedicated to the latest developments in risk management and advice on how to embed best practice throughout your treasury operations.

August 2020 – Investment Diversification, ESG and Technology Workshops

This series is dedicated to providing to the latest in Environmental, Social and Governance best practice in the sector. Also introducing the latest in technology developments such as Blockchain and Robots.

September 2020 – Treasury Management for Charities and Alternative Delivery Models workshops

This series of workshops is focused on building skills for third sector organisations and alternative delivery services, focusing on strategy, risk management and technical accounting.

October 2020 – Treasury & Capital Management Conference

This is our premier event of the year focusing upon the latest treasury management and capital issues. Led by the chair of the Treasury Management Panel we will debate the current hot topics around regulation, financial markets and relevant case studies.

November 2020 – Strategy Setting Workshops

This workshop series is dedicated to developing your 2021/22 treasury management strategy. These events are designed to help you gain clarity and help you formulate direction as you set next year's treasury management strategy.

Full details of these events will be available at www.cipfa.org/events or contact one of the advisors for further details.

Further support

On-Site Delivery

Most TMN workshops are available as an on-site delivery at a special reduced rate for subscribers. Contact us for more information.

CIPFA Essentials

Our 'Introduction to...' *Essentials* programme is designed to help support those who may be new to the sector, or perhaps working in a new role, and may also benefit non-finance staff and elected Members. These interactive workshops are a great way to help develop knowledge and awareness of a specific service area and is proving increasingly popular with staff development programs.

A full list of our Essentials training days and the next available event to book on can be found [here](#). Each of these events are also available as an on-site support option for your authority at a specially reduced rate (for TMN subscribers).

Looking for more support from our Networks?

We offer a number of other networks across a range of topics. We also offer corporate subscriptions for your organisation allowing you and your colleagues to access events and support across multiple CIPFA networks according to your needs.
