\* For students planning to enrol for a pair of modules, where feasible the following combinations are recommended:

- Financial Accounting / Management Accounting
- Audit & Assurance / Company Financial Reporting
- Business and Change Management / Financial Management
- Strategy and Policy Development / Public Service Financial Reporting
- Corporate Governance and Law / Taxation
- Strategic Public Finance / Strategic Case Study

\*\* Tutorials:

In order to offer greater support, we will be supplementing our web class tuition with online tutorials for the modules.

Each tutorial group will have smaller number of students. Each tutorial day will be broken down into several tutorial group sessions of 60 minutes each. These tutorial sessions will give you more access to tutor support to enhance your learning and preparedness for the examinations.

We will be allocating students to tutorial groups and sessions when we have final numbers. Joining instructions for tutorial groups will follow within two weeks of the course start date. These joining instructions will also include links for you to register for your tuition and tutorial sessions.

\*\*\* Face-to-Face teaching:

Day 1 and Revision Day will be offered for modules in the regions stated in the timetable. These are optional alternatives to the equivalent web class day.
