Local Pension Board Members' Autumn 2020 Seminar

30 September 2020, 'Cardiff'

Live interactive webinar

Exclusively for Board members, the Barnett Waddingham and CIPFA LGPS Local Pension Board autumn seminar is being delivered by live interactive webinars. We have loosely titled each date as a venue around the country as if we were meeting face to face, enabling you to select which to attend either by region or by your availability as usual. This seminar will provide the latest updates on governance and the LGPS, with a particular focus on emerging issues. It will also provide overview training on the topical issues of the day and opportunities for discussion on the issues you face and for networking on line with Board members from other Funds.

Our seminars are designed as an opportunity for members of LGPS Local Pension Boards to share experiences, to receive updates, to enhance their knowledge, and to discuss the key issues facing them and the LGPS in a professional but informal environment. As well as presentations, there is an interactive session to facilitate discussion and networking as well as plenty of on line networking time during the refreshment breaks.
