

# LGPS Officers' Spring Seminar

**2 March 2018, Leeds**

Pinnacle, 67 Albion Street, LS1 5AA

With a focus on governance and related key issues, the Barnett Waddingham and CIPFA LGPS Officers' spring seminar is being held at venues around the country. It will enable officers to receive the same information as the Local Pension Board Members at our parallel local pension board seminars, covering the latest updates on governance, including the LGPS Regulations. It will also provide opportunities for discussion on the issues you face and for networking with officers from other Funds, as well as a hands on focus on data improvement plans.

Our seminars are designed as an opportunity for officers to share experiences, to receive updates, to enhance their knowledge, and to discuss the key issues facing them and the LGPS in a professional but informal environment. In addition to presentations, there is an interactive session to facilitate discussion and networking, as well as plenty of networking time during the refreshment breaks, and a workshop to develop best practice.
