Education Estates Working Group: Estates conferences and training events 2020

Details of events, conferences and training made available via this EEWG market insight tool are provided on the basis that the EEWG accepts no liability for their accuracy, appropriateness, quality or relevance. Details are provided on a limited understanding of the content made available by the organisations involved. Information contained and detailed in the tool is provided in order to aid decision making of individuals and organisations attempting to identify potentially useful property related information that could improve their ability to deliver schools infrastructure and estates outputs.
