Your Code Board Needs You - Help Develop Local Authority Accounting

As it is responsible for the development of the Code, the CIPFA/LASAAC Local Authority Accounting Code Board (CIPFA/LASAAC) plays a key role in local authority accounting. Members of the Board get the opportunity to shape the development of local authority accounting.

CIPFA/LASAAC currently has a CIPFA nomination vacancy for a member representing local authority accounts preparers in County Councils, Unitary Authorities, Metropolitan District or London Borough Councils in England.

This is particularly relevant as CIPFA/LASAAC is implementing a strategic plan, with wider stakeholder engagement and substantive changes to the Code of Practice envisaged.

CIPFA/LASAAC usually meets formally three times a year with a number of follow up teleconference calls. Formal meetings normally alternate between London and Edinburgh. The Terms of Reference for the Board are available here.

As well as attending meetings, CIPFA/LASAAC members are expected to review papers including drafts of sections of the Code circulated between meetings. Board members may be asked to support events in their area designed to promote the work of CIPFA/LASAAC.

If you are interested in this key volunteer role, please send your CV and covering letter explaining your interest in the role to Gareth Davies, Secretary to CIPFA/LASAAC, CIPFA 77 Mansell Street, London, E1 8AN, or email cipfalasaac@cipfa.org preferably by Friday 9 August 2019.

If you wish to discuss this opportunity prior to submitting an application please call Gareth Davies on 0131 221 8644.
