4. The Treasurer and Deputy Treasurer are responsible for signing all cheques. However, additional signatories to the account to provide counter-signatures or back-up when necessary are:

 - Vice-president
 - Secretary.
5. In addition, the Treasurer and Deputy Treasurer have access to the bank account via the internet.

8. A copy of the audited accounts will be presented to the Annual General Meeting for Approval.

Budgets

9. Council will agree a budget on an annual basis as part of the planning cycle for the development plan. A budget is agreed for each 'activity' in the plan, with corresponding performance indicators.
10. Each line in the budget will correspond directly to the development plan activities and a named individual of Council will be nominated as the Budget Holder for each budget line.
11. Expenditure must only be incurred by the relevant Budget Holder and shall not be incurred unless there is an appropriate budget.
12. Once the budget has been agreed, the Budget Holder may authorise spend on this activity without reference to Council as long as spend is in line with the activity specified in the development plan and remains within the agreed budget amount.
13. Where an under or overspend in budget lines is predicted, a virement may be made between the activities provided both budget holders agree, approval is given by Council, and spend remains in line with the specified activities as outlined in the Development Plan.
14. If an unfunded activity emerges during the course of the year, approval is required from Council to either make new funding available or to vire budget from another under-spent activity. Similarly, if an overspend on an existing activity cannot be funded from a virement, Council approval must be sought to increase the activity budget.
15. Where expediency is required and it is not possible to wait until the next Council meeting, Council delegates authority for activities or budget increases up to £2,000 to be approved by agreement of the President, Vice-President, Treasurer, Deputy Treasurer and Secretary. Such decisions must be retrospectively ratified by Council at their next meeting. All requests greater than £2,000 must go to full Council for consideration.
16. The Treasurer will make regular reports to Council on expenditure and income against budget and projected year-end outturn.

23. All investments will be in the name of CIPFA South East.
