2019/20

CIPFA Networks

CIPFA, the Chartered Institute of Public Finance and Accountancy, is the world's only professional accounting body to specialise in public services. Our experience and expertise extends through central and local government, education and academies, the NHS and the wider health sector as well as blue light services – a truly pan-public sector organisation.

There are currently over 1,100 subscriptions to CIPFA networks. Join us and enjoy the significant benefits of belonging to this unique service. Members of our networks are kept informed of the latest political, financial and service developments through a comprehensive package of information, insight, advice and training. Membership also offers numerous opportunities, both face to face and online, for public sector staff to develop their knowledge and skills in key areas.

I thought it was a really good informative day and found most of the speakers really interesting and knowledgeable and would happily attend any event that they put on in future.

Ruth Wilson, West Norfolk

Very interesting and well run day.

Neil Hughes, Scarborough

The event was well organised and covered the areas that I was interested in. What I found useful is that the principles of due diligence were easy to understand and can be applied in any investment opportunity.

Deborah Redhead, GLA

Welcome to the TMN

Welcome to the CIPFA Treasury Management Network (TMN) which has been established for ten years.

The TMN offers a wide range of valuable face-to-face events at various regional venues as well as expert support and guidance that is centred on all aspects of treasury management.

Our website also contains webinars and detailed documentation written to accompany the events along with regular briefing notes on topics of current interest, which can be downloaded free of charge for all TMN subscribers.

Our e-alerts service, provided to over 650 members, contains updates on changes in legislation and comments on policy and topical issues.

For those with specific questions, our advisors are on hand to help. If you would like further information about the benefits of subscribing to the TMN, please contact any member of our highly skilled and dedicated advisory team, listed below.

Programme of events

Our headline events below are complemented by webinars, briefings and advisor support for subscribers only. Detailed programmes will be issued shortly before each series starts.

CIPFA Essentials

To help support new members of staff and elected Council Members of the council, CIPFA networks launched a new training initiative at conference in 2017 called *CIPFA Essentials*.

This "Introduction to..." playbook is a great way to help develop knowledge and awareness of a specific service area and is proving popular with staff development programs.

A full list of our *Essentials* training days and the next available event to book on can be found [here](#). Each of these events are also available as an on-site support option for your authority at a specially reduced rate (for TMN subscribers).

March 2019 – Treasury Management Network Conference

This conference is dedicated to real time issues facing treasury managers, the economy, risk management based solutions to borrowing and enhanced investment returns, and managing elected members' appetite for risk.

June 2019 – Regional Risk Management Workshops

This series is dedicated to the latest developments in risk management and advice on how to embed best practice throughout your treasury operations.

September 2019 – Introduction to Treasury Management

This special event is designed to help you gain an understanding of the major treasury and capital finance issues impacting upon your local authority and an insight into current treasury best practice.

October 2019 – Treasury & Capital Management Conference

This is our premier event of the year focusing upon the latest treasury management and capital issues. Led by the chair of the Treasury Management Panel we will debate the current hot topics around regulation, financial markets and relevant case studies.

November 2019 – Strategy Setting Workshops

This workshop series is dedicated to developing your 2020/21 treasury management strategy. These events are designed to help you gain clarity and help you formulate direction as you set next year's treasury management strategy.

February 2020 – Technical Accounting Workshops

This series is dedicated to the latest developments in accounting for treasury management and capital accounting picking up changes to the Code of Practice and technical matter such as MRP Policy.
